

Door Hardware by Room

Project: Bruning | Source: McIntyre Millwork & Hardwood Supply, Acknowledgement SO #62335, dated 8/24/2026 | Finish: Satin Brass (per order)

FRONT ENTRY DOOR

Active leaf + inactive (dummy) leaf

Baldwin Boulder Full Escutcheon Handleset — Active, Tubular

Keyed entry handleset with 5455V Wave lever interior. Satin Brass (044). Active side of the front entry door.

Baldwin Boulder Full Escutcheon Handleset — Dummy, Tubular

Non-functioning dummy handleset with matching Wave lever, for the inactive leaf of the front entry door. Satin Brass (044).

KITCHEN ENTRY DOOR

Baldwin Multi-Point Lock — Boulder Trim, Wave Lever

Multi-point locking system with Boulder-style trim and Wave lever, for the kitchen entry door. Note: reference image on file is labeled Satin Nickel — please confirm finish matches the Satin Brass (044) spec on the order.

GREAT ROOM ENTRY

2 passage sets + 2 dummy sets

R032 Rose w/ Wave Lever — Passage Sets (Qty 2)

Non-locking passage function, Wave lever on round R032 rose. Satin Brass. Two units for the Great Room entry.

R032 Rose w/ Wave Lever — Dummy Sets (Qty 2)

Non-functioning dummy trim matching the passage sets, Wave lever on round R032 rose. Satin Brass. Two units for the Great Room entry.

Room assignments and item groupings above are interpreted from the McIntyre Millwork acknowledgement (SO #62335) descriptions and quantities. Please confirm against the plans before ordering, and flag the multi-point finish note above if it needs correction.
