ATTENTION:

Take extra care in confirming the fitment of your third-party insert fan, and consult with your installer or vendor prior to approval. To prevent any installation issues, thoroughly review all dimensions of your insert fan and the opening specified in the section views of this drawing. By approving this CAD, you are confirming the sizing and fitment of your insert fan is correct.

ATTENTION:

Take note that the measurements provided do not account for additional parts like straps or rivets unless specifically stated. To prevent any conflicts with nearby cabinets or walls, ensure that you thoroughly check all dimensions highlighted in red before approving this range hood shop drawing.
